AFTERNOON SESSION

The following report of the City Engineer was read and ordered filed:

"Austin, Texas, March 11, 1920.

To the Hon. Mayor and City Council,

City of Austin, Texas.

Gentlemen:

Having been advised that the Greyberg Oil Company proposes to erect two storage tanks near the intersection of Fifth and Comal Streets, we made an inspection of the tanks said Company proposes to erect and find in our opinion said tanks are unsafe for the purpose for which they are to be used, and respectfully recommend that the City Council decline the application for the use of these tanks for the purpose of storing kerosene, gasoline, or such inflammable materials.

Yours very truly,

(Sgd) C. E. Leonard, City Engineer,

(Sgd) C. L. Woodward, Chief of Fire Department."

The Council then adjourned.

John H. ...
City Clerk
